Get to Know the Bands

Full Moon Salloon

Named after the legendary bar in Key West, Florida that inspired many of Jimmy Buffet's best songs, The Full Moon Salloon covers Buffett, Reggae and is known to throw a little blues in for good measure.

Deadly Acoustic Act of Timi & Steve Ryalls

The Ryalls brothers will rock the house. A mainstay in the Charlottesville music scene.

Metanoia

The band has gained a strong, local following due to its upbeat nature of classic rock songs. Not wanting to play the "same old" cover band tunes, Metanoia chooses classic rock and roll from the 60's through today.

What's so special about Central Virginia Parrot Head Club?

The Central Virginia Parrot Head Club is a non-profit organization whose purpose is to engage and participate in activities that are charitable, educational, and promote the well being of the community. The club helps to sponsor and provide social activities and events in the community for all who share an interest in the music of Jimmy Buffett and the tropical lifestyle he personifies.

We help the community in many ways; such as raising money for local charities like the Alzheimer's Association, and the Charlottesville-Albemarle SPCA. We sponsor a Blood Drive, we cook up a storm at UVa on Oasis weekend, we raised money for Habitat For Humanity. Plus we also clean up a 3 mile stretch of RT. 250.

Parrot Heads in Paradise (PHiPs) is the parent organization and in the 2004 annual report it noted that there are 200 chapters in seven (7) different countries, which collectively raised for and/or **donated to charitable organizations \$2,202,957.00!** Additionally, chapters worldwide **donated more than 404,690 man-hours to philanthropic and environmental activities.**

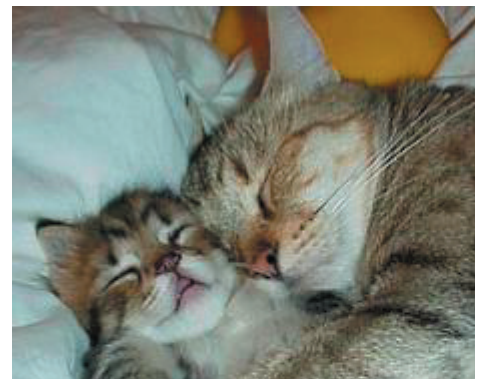

Who is the Charlottesville - Albemarle SPCA?

Founded in 1914 and incorporated in 1955, the CASPCA is an open-access facility that takes in close to 6,000 animals each year. Since 1956, the CASPCA has also served as the pound for both the city of Charlottesville and Albemarle County. In addition, we sell city and county dog licenses, serve as a lost and found service for the community, offer obedience classes, provide private animal cremations for the general public, transport wildlife to the Wildlife Center in Waynesboro, Virginia. Our shelter is funded from services, donations and proceeds from special events, as well as small stipend paid to us by the City and the County.

CASPCA mission:

Providing a safe and nurturing environment for the homeless, injured and neglected animals of the City of Charlottesville and Albemarle County, and increasing the number of these animals being placed in good and permanent homes through education, outreach, and adoption.
